Your Itinerary in Paradise

Week 1: Utila

At Utopia Village, enjoy world-class diving, look for whale sharks, and get away from the hustle and bustle of life. Utopia’s beautifully appointed rooms all have balconies with gorgeous ocean views. The airy dining hall with its soaring ceiling is the perfect spot to savor the chef’s delicious selections. Choose from other activities that include a full service spa, fishing excursions, kayaking and hiking, or just relax on the beach. When your week at Utopia has come to an end, the fun’s not over! Board a 42-foot catamaran for a half-day sail (or choose a plane charter, if you prefer) to make your way back over to Utila’s big sister island, Roatan.

Week 2: Roatan

On Roatan, you’ll be greeted and transported to Barefoot Cay Resort, a small, intimate, luxury retreat on the island’s south shore. In the mornings, explore Roatan’s famous barrier reef and enjoy valet diving with guides from our PADI 5 Star Dive Center. In the afternoons, you’ll have plenty of free time to do a canopy tour, swim with the dolphins, make friends with the monkeys at Gumbalimba Park, or relax in the serene setting of the resort. Your luxury studio loft has a spectacular view of the cay and the Caribbean Sea, a spacious balcony to enjoy the sea breeze, and a king-size Heavenly Bed for a blissful night’s rest.
